TO THE UNITED NATIONS**

H.E Ms. Inga Rhonda King  
President of the Economic and Social Council  
United Nations  
New York

Dear Madam President,

I refer to the 2020 High-level Political Forum on Sustainable Development (HLPF) to be convened under the auspices of the Economic and Social Council (ECOSOC) in July 2020, and wish to formally convey my Government's interest to be included as a participating country in the Voluntary National Reviews (VNRs) during the said HLPF session.

As will be recalled, Samoa was the first Small Island Developing State amongst the twenty-two member states that presented their VNRs during the inaugural ECOSOC-led VNR process in 2016. We attach great importance to the implementation of the 2030 Agenda and the VNR provides an excellent and timely platform for all member states to share experiences, including success, opportunities, challenges and lessons learned. Consequently, we are keen and prepared to report back to the UN community through our second VNR in 2020 on our experience to date on the implementation of the SDGs.

I thank you for your sterling and steadfast leadership in championing the needs of the marginalized and for providing space for all stakeholders with a role to play in the realization of the SDGs to ensure that there is inclusivity in our approach and no one is left behind in our global journey.

Please accept, Excellency, the assurances of my highest consideration.

Sincerely,

Ali'ioaiga Feturi Elisaia
