CA-256-21

New York, 5 August 2021

Excellency,

I have the honour to thank you for your kind letter, inviting Member States to participate in the next edition of the High-level political forum (HLPF). I firmly believe that the HLPF has proven to be an excellent platform to exchange views, challenges and best practices among Member States to implement and review the 2030 Agenda.

I am pleased to inform you that the Government of the Principality of Andorra would be honoured to participate and is ready to present its second Voluntary National Review (VNR) during the next HLPF, which will be held in 2022. I am convinced that the experience of Andorra with regard to the activities and political actions to implement the Sustainable Development Goals will significantly contribute to the work of the ECOSOC and will help in the success of the 2030 Agenda.

Please accept, Excellency, the assurances of my highest consideration.
