7<sup>th</sup> September 2021

Excellency,

I am writing in relation to the Voluntary National Reviews (VNRs) to be conducted at the 2022 High-Level Political Forum on Sustainable Development (HLPF), which will be convened under the auspices of the Economic and Social Council (ECOSOC).

Jamaica continues to attach high importance to the 2030 Agenda for Sustainable Development and remains fully committed to its successful implementation. In this respect, Jamaica's National Focal Point, the Planning Institute of Jamaica (IOJ), has conducted a consultative process with key stakeholders on Jamaica's participation in next year's HLPF.

It is therefore, my pleasure to advise, on behalf of the Government of Jamaica, our intention to deliver our second national voluntary review at the 2022 HLPF. In this regard, I am hereby submitting, by way of this communication, our notification to this effect and seek your guidance on the next steps towards this objective.

Please accept, Excellency, the assurances of my highest consideration.
